High-quality care that's affordable and reliable

MinuteClinic makes it easy for you to get the care you need, when and where you need it. And now you can access all eligible services, including general medical MinuteClinic Virtual Care visits at any in-network MinuteClinic at little to no cost* to you.

MinuteClinic is a walk-in clinic inside select CVS Pharmacy® and Target stores, and is the largest provider of retail health care in the United States—with over 1,100 locations in 35 states and District of Columbia**.

It's open every day, including evenings. MinuteClinic offers walk in, scheduled appointments at their brick-and-mortar locations, and MinuteClinic Virtual Care.

MinuteClinic health care providers treat a variety of illnesses, injuries and conditions. They can also write prescriptions, when medically appropriate.

MinuteClinic Virtual Care provides eligible general medical services as a virtual visit option available seven days a week.

All behavioral health services through MinuteClinic locations and MinuteClinic Virtual Care are not a part of the MinuteClinic benefit and are subject to any applicable cost share and limitations. See benefit plan documents for details.

*Eligible members enrolled in high-deductible plans must meet their deductible. However, such services would be subject to negotiated contract rates. Once the deductible has been met, members will be able to access MinuteClinic services at no cost-share. Members in Aetna Whole Health ACO, APCN Plus, HMO and indemnity plans may not be eligible for this benefit. Such members should refer to their benefit plan documents in order to determine coverage and applicable cost-share for walk-in clinic benefits and services, as applicable.
